AWAKEN YOUR SENSES

UandKSound was founded in 2015 with a clear goal: to deliver high quality products with the best value for money. Today, all UandKSound products are designed in Europe and carefully crafted to deliver a level of performance that stands above expectations.

## THE PINNACLE OF HIGH-PERFORMANCE AUDIO

Key to their sophisticated sound is an advanced crossover network. Each loudspeaker crossover is built with the highest-quality components. Internals including massive air-core coils, thick, high-purity copper wire, and low-distortion capacitors to ensure that every nuance of the audio signal is preserved.

Designed to excel in a wide variety of sound reinforcement applications, the full range S Series are compact wall mount loudspeakers that provide inspiring acoustic performance with exceptional clarity and articulation. Manufactured to the highest standards of quality, these products are available through authorised specialty custom installation specialists and carry the full UandKSound warranty.

Critical to architectural products is their ease of installation. The S Series continues the UandKSound tradition of innovating engineered solutions which allow custom retailers to install their products quickly and easily. Each model features a premium MDF enclosure and an extremely robust mounting-lock system that couples with the speaker's rigid chassis when installed. S series models allow installers to complete horizontal or vertical installation.

The standard finish for this product is matte black.

## MODELS AND FEATURES

# S6 I

Impedance	4 ohm
Freq. Response	55Hz-22kHz
Power Amp	80-160W
SPL	89 dB +/- 1.5 dB
Woofer size	2 x 6-1/2"
Woofer type	830657 x 2
Tweeter size	1"/25mm
Tweeter type	XT25TG30-04 x 1
Size	286 x 560 x 107 mm
Enclosure	Closed/MDF
Weight	7.5 kg
Colour	Black matte

## MODELS AND FEATURES

### S6 II

Impedance	4 ohm
Freq. Response	45Hz-22kHz
Power Amp	160-320W
SPL	91 dB +/- 1.5 dB
Woofer size	2x 6-1/2"
Woofer type	P830657 x 4
Tweeter size	1"/25mm
Tweeter type	XT25TG30-04 x 1
Size	286 x 890 x 107 mm
Enclosure	Closed/MDF
Weight	12 kg
Colour	Black matte

## MODELS AND FEATURES

# S1200 I

Freq. Response	25Hz-250Hz
Woofer type	Coated paper
Woofer size	12"/30cm
Power	1200W class AB
Enclosure	MDF material
Size	480 x 995 x 250 mm
Weight	46.5 kg
Colour	Black matte

The background features a series of light blue, wavy lines that create a sense of motion and depth. In the center, there is a prominent waveform in shades of blue and purple, resembling a sound wave or a frequency spectrum. The overall aesthetic is clean, modern, and technical.

## WARRANTY INFORMATION

UandKSound products are constructed by industry experts and are thoroughly tested before shipment. UandKSound passive products are warranted for a period of five (5) years and active electronics, three (3) years. This warranty is limited to manufacturer defects, either in materials or workmanship. UandKSound is not responsible for any consequential or inconsequential damage to any other unit or component or the cost for installation or extraction of any component of the audio system. In the rare case of a product failure, please contact your place of purchase or contact your UandKSound dealer for help.

## WARRANTY LIMITATIONS

There are no other warranties, either express or implied, which extend the foregoing, and there are no warranties of merchantability or fitness for any particular purpose. The warranty will not cover incidental or consequential damage due to destructive or improper use of products. This includes but is not limited to burnt voice coils, overheating, bent frames, holes in the cone, or broken lead wires. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Non-Warranty Service: if non-warranty service is required the product may be sent to the company for repair/replacement, transportation prepaid.

Thanks for purchasing our products.  
Please contact your nearest official distributor to know more details  
about the warranty conditions and installation best practices.
